

The Evolution of the JMPS CONOPS

VISION STATEMENT

- JMPS
 - Evolve world class joint mission planning capabilities to support the war-fighter today and fulfill Joint Vision 2010.
- CONOPS Team
 - Ensure that the developer of JMPS meets (PFPS 3.1) or exceeds the fleet user's requirements.

PURPOSE OF CONOPS

- Explain how each warfare area or platform (if necessary) does mission planning from start to finish
- Written in plain language so this document can be understood by non-flyers (system engineers and developers)
- Written in time sequence
- You own this document - it's as good as you make it
